Dear Applicant:

Thank you for your interest in the Chicago Society.

Founded in 1912, the Chicago Society has maintained its position as the progressive leader and model to societies in other major metropolitan areas. Our projects, programs, activities and philanthropic endeavors are ambitious and wide ranging. We provide assistance and leadership to many other organizations, some of which sprung from the Chicago Society. Our ranks hold many of the current, past and future community leaders. We are proud of the achievements of our members and strive to assist them in their efforts.

Our meetings are well received and offer our members informative speakers and the opportunity to socialize with fellow members. Numerous social events, running the gamut from formal to casual, are held throughout the year. We encourage our members to support these events, and indeed, expect the involvement and assistance which will help us achieve our philanthropic goals.

New members are welcome. We welcome their participation, their ideas, their skills, and their friendship. And to our new members, we offer fraternalism and the opportunity to become a part of the illustrious tradition and history of the Chicago Society.
