### February 2018 Speaker & Dinner Meeting

Our speaker for the February General Meeting will be our **Brother Brian A. Bernardoni**, a 2010 Jerome Holtzman award recipient. Called "one of the great experts on Wrigley Field" by Chicago Cubs owner and Chairman Tom Ricketts; a son of the southwest side of Chicago, and the grandson of a woman who was a pioneer and champion in 16 inch softball, Brian Bernardoni is a noted Chicago Cub/Wrigley Field historian, archivist and life-long Cub fan.

In 2018 Brian A. Bernardoni enters his twenty first year as a Wrigley Field Ambassador Guide. He is a native Chicagoan and is widely recognized and highly regarded as an expert on the West Side Grounds and Wrigley Field; the ballparks of the Chicago Cubs.

Brian along with his colleague, Chicago Police Officer Michael Reischl

### 2018 Śledź

Chairmen Brothers **Ted Makarewicz** and **Mark Orwat** cordially invite you to attend the 2018 Annual Chicago Society Śledź on Tuesday, February 13, 2018 at White Eagle Events and Convention Center, 6839 N Milwaukee Ave, Niles IL 60714. The festivities will begin with a social hour (cash bar) at 6:00 pm with dinner being served at 7:00 pm. Dinner will feature herring in cream sauce, salad, pasta, baked New England cod and chicken breast marsala, wine, coffee, tea & pączki. After dinner, the traditional pageant representing Śledź will be held followed by the crowning of St. Joseph for 2018. The gentleman selected acts as our chaplain at Chicago Society meetings and at special occasions, leading those present in an appropriate prayer. This festive event is open to members, family, relatives, and guests. The celebration of Śledź is the Chicago Society's version of Christian and Polish traditions that date back centuries. It is a celebration of carnival, or Mardi Gras—the period immediately preceding Lent. Following our pageant will be a cash bar and raffle with prizes. The cost is \$40 per adult and \$15 per child. To RSVP, visit the Śledź page at <https://www.chicagosocietypna.org/sledz> on the Chicago Society website or contact **Ted Makarewicz** at 847-456-0717 or [hogski@hotmail.com](mailto:hogski@hotmail.com).

Dear Brothers,

As I settle into my second year of service, things are far less intimidating. I hope with a better knowledge of the history and predilections of this venerable institution I can be more effective in my leadership.

**PRESIDENT'S  
MESSAGE**

Our Inaugural Ball was held on January 27th at Victoria in the Park. It was a great evening. For those brothers who attended, thank you for your support. For those of you who did not, some pictures of the festivities will be posted on our website soon. Special thanks are due to Judge John Wasilewski (Ret.) for administering the oath of office to incoming officers. Congratulations to Brother Makarewicz for being named our honoree. He delivered a very inspiring speech. As usual, special thanks are due to Brother Matuszczak and his lovely wife, Chris, for their hard work in making the evening a great success.

So far in 2018, membership maintenance continues to be a persistent problem. We replaced in January four members we removed for dues non-payment. We lost one member in February and we received one application. We are not meeting the growth goals I shared with you after the November general meeting. The passage of time is not going to ameliorate our continued revenue problem. If I am sounding like a broken record, I apologize. However, since it is the season for state of the union speeches, I feel it is incumbent on me to share that membership benefits and other costs of existing policies are outpacing revenue. If we do not have a significant influx of new members this year, policies and traditions will have to be changed. Please recommend the Chicago Society to your friends, family and business colleagues. Suggest they join as members. Our organization will be revitalized, past practices will be preserved, and you will be free of further lectures from me.

Exciting news about membership—a comprehensive written repository of all things Chicago Society is available. Thanks to Brother Grzadziel, we have a membership roster updated through mid-January, 2018. It was compiled into a booklet along with copies of our updated Constitution and By-laws along with other handy information about our organization. Copies are available for \$8.00. Please see Brother Grzadziel.

Further good news is anticipated soon. I am working with the President of Polish American Congress to create a comprehensive calendar for recording the event dates for all Polish organizations. More news will be available shortly on this subject. Stay tuned.

Our next meeting will be on February 21st at Sawa's Old Warsaw in Broadview. Please come out to enjoy a change of scenery and to support our South-side brothers. I look forward to seeing you all then.

Fraternally yours,

Brother Steven Rakowski

and the “Way Out of Left Field Society” coordinated efforts with the Illinois Medical District and the Illinois State Historical Society to place a historic marker at the location of the West Side Grounds, where the Chicago Cubs played (1885 -1915). Their effort, featured on WLS-TV’s “190 North” and in the film “We Believe” as well as a number of books brought much attention to a lost Chicago ballpark.

His expertise of the history of Wrigley has granted him unique opportunities. He successfully testified on behalf of the Chicago Cubs on land marking and signage matters before the Chicago Landmarks Commission and the Chicago City Council Committee on Buildings. He is called upon by Chicago Cubs ownership on various matters on the history of the ballpark and events that have taken place on its site.

He is a member of the Emil Verban Society (The Washington DC Chapter of the Chicago Cubs Fan Club), the Emil Rothe Chapter of the Society of American Baseball Researchers (SABR), the Ballparks Committee and the Old Timer’s Baseball Association of Chicago of which he was the 2008 “Old Timer of the Year.”

He has also served on the Advisory Board of the Mordecai “Three-Finger” Brown Society, Little Cubs Park in Freeport, Illinois and the Chicago Baseball Museum; where he also served on the Board. For these efforts and contributions to Chicago baseball history, Brian was awarded in 2010 with the Pitch and Hit Club of Chicago’s “Jerome Holtzman” Award and was also recognized by the Illinois Medical District Commission for his efforts in preserving baseballs past.

A vigorous researcher he has contributed significantly to several books including *Maybe Next Year: Long Suffering Sports Fans and the Teams That Never Deliver*, *Before the Ivy*, *Brush Back*, *The Cultural Encyclopedia of Baseball*, *Haunted Baseball*, *Field of Screams: Haunted Tales from the Baseball Diamond*, *the Locker Room*, and *Beyond*, *Classic Cubs: A Tribute to the Men and Magic of Wrigley Field*, *Wrigley Field Year by Year: A Century at the Friendly Confines*, *Hoodoo: Unraveling the 100-Year Mystery of the Chicago Cubs* and *Living the Dream – An Inside Account of the 2008 Cubs Season*. He has presented before SABR; the All-American Girls Professional Baseball League Alumni Association and a number of other groups.

His research has also been sought out by writers George Will and Sara Paretsky. His poetry on the Cubs can be found on Bardball.com and he has blogged for MLB Reports. His own book on Wrigley Field is anticipated soon. He is also working with noted baseball researcher Peg Gripshower on her book on Charles Weeghman, the man who built Wrigley Field.

Brian and his efforts to preserve the history of Chicago Cubs ballparks have been featured in two recent films on the Chicago Cubs; “We Believe” and “Chicago Cubs: The Heart & Soul of Chicago.” Brian was also a contributor on both films. He has been featured in the Chicago Tribune and the Chicago Sun-Times, Parade Magazine, Sports Illustrated, on CNN Radio, Al-Jazeera America, WGN – TV, WCIU – TV, WLS-TV, WLS-FM, WGN-AM, and Cubs Insider amongst others as a subject and resource on Wrigley Field as well as in the Official Publication of the Chicago Cubs Vineline.

Brian is not only a serious baseball historian but also has played a role in some interesting Cub related events including “Burying the Curse” where he performed a poem in a funeral home with legendary performer Tom Dressen (which can be found at Bardball.com) and a séance in the room where Billy Jurgens was shot at the Hotel Carlos; an inspiration for the book and subsequent film “The Natural.” As always he is currently involved in secretive esoteric baseball research.

Brian and his wife Carrie are residents in the Chicagoland area and are the parents of four daughters who all reside with his Wrigley Field, Federal League and Chicago Cubs ephemeral. His grandmother Emily Bernardoni nee Kwiatek played 2nd base in softball on the 1933 Chicago Century of Progress team which

## Kulze Scholarships Off and Running

Brother **Walter Pieciewicz**, Chairman of the Kulze Scholarship Committee of the Chicago Society Foundation, reports that applications for this first year of scholarship awards have now closed. Many worthy candidates have applied for the three \$7,500 awards, available to college, graduate and professional school students. Jim Kulze, a former President of the Society, was very active in the club, and an ardent supporter of students with financial need. He and his charming wife Lillian were outstanding dancers at the Inaugural Balls too. Through his generous contribution to the Foundation, we will be able to annually fund meaningful scholarship awards far into the future. The full committee will have its hands full to select among the host of outstanding young Polish Americans.

Tyler C. Matuszczak, 17 year old grandson of **Ro** and Chris **Matuszczak**, was honored by the Hoffman Estates Village Board on January 15, 2018 with a Citizen Lifesaving Award. On November 12, 2017 Tyler was leaving his home in Hoffman Estates when he saw his neighbor collapsed on his driveway. Tyler immediately alerted the neighbor's wife and administered CPR to the victim until paramedics arrived. At the presentation, the daughter of the victim thanked Tyler publicly and stated, "... you gave us our dad back." Tyler is a student at Fremd High School and an Eagle Scout. Congratulations to Tyler for a job well done.

Better late than never... December 9th, 2017. Brother **Anthony Kawalkowski** and his Orchestra presented his annual '**Unwrap Christmas**' Concert at the Copernicus Center. The Chicago Society Foundation was one of the proud sponsors of this event. The evening featured Polish, German, Latin, Irish as well as English Christmas songs to the delight of nearly a full house. Singers and dancers of all ages helped **Brother Tony** create this magical evening. Among the performers were Wayne Messmer, who lent his amazing voice to this musical, and the Saint Andrew School Choir and others. This year's concert featured a 38-piece orchestra including 7 vocalists and a 50-member children's choir.
